My Breville Microwave was recently repaired at the local restaurant that I often eat at. As part of the repair, the repairman took a picture of the inside of the oven. I would like to scan the picture to my computer in hopes of being able to view it. I saved the picture as a.png and it showed the picture and the inside of the oven in lots of detail. How can I view this picture? I am very sorry if this is posted in the wrong section, this a picture of the inside of my microwave. If the picture was saved as a.jpg (which most likely it was), then it will be under the files/folder structure "C:\Users\Your_name_here\Pictures". It should be titled: "This is a picture of your microwave." My Breville Microwave was recently repaired at the local restaurant that I often eat at.
